

## HAT TRICK DRAW

### What is the Hat-trick draw?

It's a monthly "drum draw" open to anyone over the age of 18. There are ten standard monthly draws and two grand draws at Christmas and at the end of the season. 75% of the money invested in the draw is returned as prize money. Donations are also made to local causes.

### The Prizes

At present (2023) the monthly prizes are: £75, £25 and £10. The two grand draws pay out one prize of £500. The values of the prizes depend on the number of draw members and are reviewed from time to time.

### How does it work?

Each draw share is valued at £1 and the minimum monthly investment is 5 shares (£5 per month). It is possible to invest in more shares at £1 each per month. You pay for your shares by standing order on the 15th of each month. We are not able to take cash payments as we need to keep accounting as simple as possible. If a payment is not received then your numbers will not be entered in the draw.

### Who runs the draw?

The Iron Trust. It is regulated by the Financial Conduct Authority and licensed by the Local Authority under the Gambling Act 2005. A sub group of the Trust board administer the draw.
